Lost Chamber Aquarium

[Dubai](#), [United Arab Emirates](#) | Aquarium

Tour Description

The **Lost Chamber Aquarium Tour** is an exciting encounter through the underwater world, diving into the beauty and mystery of marine life. It is designed to remind one of a visit to a part of the lost city of Atlantis and is housed inside Dubai's iconic Atlantis, The Palm resort. On the **Lost Chamber Aquarium Tour**, you will encounter over 65,000 marine animals, including colorful fish, elegant rays, and even beautiful sharks. The tour features a succession of interconnected tunnels and exhibits that offer stunning views of charismatic marine life inside the water. One of the major highlights is Ambassador Lagoon-an enormous underwater exhibit featuring a wide variety of species set against the magnificently crafted Atlantis-themed background.

Interesting information about the marine ecosystem, conservation, and protection is provided in a guided tour by knowledgeable guides. One can also attend feeding sessions when the aquarium personnel interact with the animals to make the visit enlightening and interactive. For the more daring, the Lost Chamber Aquarium Tour provides special activities such as snorkelling and diving with sharks and rays. This is an exciting tour, enabling participants to have a very close encounter with these lovely creatures in a safety-controlled environment. Whether one is a family in search of fun, a romantic couple with dreams of an unforgettable adventure, or an enthusiast of marine life, the Lost Chamber Aquarium Tour surely provides an indelible experience filled with education and plenty of excitement. In fact, this is that aquatic paradise you would never want to miss while in Dubai! ?
