## The National Aquarium Abu Dhabi

[Abu Dhabi](#), [United Arab Emirates](#) | Aquarium

### Tour Description

The **National Aquarium Abu Dhabi Tour** is rather unique, taking one through an incomparable journey of the underwater world-one that no marine life enthusiast would afford to miss. This really large aquarium is located in Al Qana, Middle East, and features over 46,000 animals from more than 300 species that promise to provide an awe-inspiring adventure for all ages. The National Aquarium Abu Dhabi guided tour takes guests on a journey across ten zones emulating different ecosystems, from flooded forests of the Amazon to icy waters of the Arctic.

Imagine taking one on an enormous variance in habitat that shines brightly with beauty and life forms pertaining to marine life. Some of the varied beauties one gets to see are colourful coral reefs, sharks, rays, and amphibians. Some of the interactive experiences at The **National Aquarium Abu Dhabi Tour** include going on glass-bottom boat rides where you have the opportunity to see fishes that swim beneath your feet. Other than this, you can participate in animal feeding and educational sessions that teach you about marine conservation. Families with children, especially, will enjoy the interactive displays and activities set aside for their younger guests. The aquarium's focus on conservation and education ensures that visitors leave with a greater understanding of marine ecosystems and how to protect them. Boasting state-of-the-art facilities, breath-taking exhibits, and engaging experiences, a tour to The National Aquarium Abu Dhabi pledges the most unforgettable day of exploration and knowledge. Be it a nature enthusiast or an inquisitive explorer looking out for something new and different, this aquarium is a must-see for sure, offering an enlightening look into the wonders of the sea
